

VALUE PACKED.

Brandt Rental Customers

To serve your needs, Brandt Tractor is pleased to announce that we have entered into an exclusive distribution agreement for BOMAG parts, equipment and service in western Canada. With 21 Brandt locations across western Canada to serve you, BOMAG Light equipment and parts are now conveniently located near you. Plus, our trusted service technicians and over 200 service trucks mean quick and easy access to the service you need.

With Brandt Tractor as your new, exclusive dealer of BOMAG Light, you will benefit from increased access, service and value, while continuing to count on the best-trained and equipped sales, parts and service team in the business. Best of all, Brandt will maintain the same rental discount for all equipment and parts that you receive today.

We're looking forward to working with you to meet all your BOMAG Light equipment and service needs. Enclosed is a binder containing the 2009 price list, rental "Booking" program, ordering information, brochures and warranty claim info. A Brandt representative will contact you in the near future to answer any questions and discuss your current and future needs.

For more information with regards to equipment, warranty, service or parts, please contact our Product Support Center at 1-866-903-3293.

Sincerely,

Shaun Semple
President
